10 More and 10 Less

Grade 1 · Ages 6-7 · Math · Number Sense · ★★

Write the missing number on the line so each sentence is true. Some numbers go past 100: 10 more than 95 is 105. Read the whole sentence first: in "? is 10 more than 56", the missing number is 66.

1. 10 less than 113 is _____

2. 10 more than 108 is _____

3. 10 more than 98 is _____

4. 10 less than 106 is _____

5. 10 less than 104 is _____

6. 10 more than 105 is _____

7. 10 more than 110 is _____

8. 10 less than 108 is _____

9. _____ is 10 more than 64

10. _____ is 10 less than 92

11. _____ is 10 less than 56

12. _____ is 10 more than 83

13. _____ is 10 less than 32

14. _____ is 10 more than 85

15. _____ is 10 more than 45

16. _____ is 10 less than 82

17. _____ is 10 less than 99

18. _____ is 10 more than 104

19. _____ is 10 more than 78

20. _____ is 10 less than 45
